PALS FACULTY

Stanford, LPCH and Community Pediatric Emergency Room Physicians, Anesthesiologists, Critical Care Physicians and RNs, Respiratory Care Specialists and Paramedics; All Instructors are AHA Certified PALS Instructors

PALS FACULTY DISCLOSURES

The Stanford University School of Medicine adheres to ACCME Essential Areas, Standards, and Policies regarding industry support of continuing medical education. Disclosure of faculty and commercial relationships will be made prior to the activity.

TARGET AUDIENCE:

- ♥ Pediatricians, House Staff, Emergency Medicine and Family Physicians, Anesthesiologists, Critical and Acute Care Physicians and RN's and any allied health professional who delivers care to pediatric patients.

PREREQUISITES:

Students **MUST** prepare to successfully complete the PALS Provider Course. Before taking the course, students must be proficient in the following:

- ♥ Performing CPR skills using the 2010 ECC guidelines
- ♥ Reading and interpreting basic PALS EKG rhythm strips
- ♥ Knowledge Of basic PALS pharmacology
- ♥ Evaluating a child using the systematic approach to pediatric assessment outlined in the PALS text

The American Heart Association (AHA) strongly promotes knowledge and proficiency in BLS, ACLS and PALS and has developed instructional materials for this purpose. Use of these materials in an educational course does not represent course sponsorship by the AHA and any fees charged for such a course does not represent income to the Association.

COURSE DESCRIPTION

LPCH AHA Training Center provides a **unique** learning environment in the completely redesigned AHA PALS course that is based on the scientific evidence from the 2010 AHA Guidelines and a new teaching methodology. Participants will be able to develop the knowledge and skills necessary to efficiently and effectively manage critically ill infants and children with the integration of simulated cases using high, mid and low - fidelity manikins.

STATEMENT OF NEED

Pediatric Advanced Life Support is based on the scientific evidence from the 2010 AHA Guidelines. This hands-on activity utilizes new teaching methodology that allows learners to develop the knowledge and skills necessary to effectively manage critically ill infants and children at risk for cardiopulmonary arrest.

COURSE LEARNING OBJECTIVES

- ♥ Apply and perform the systematic approach to pediatric assessment, including the general, primary, secondary and tertiary assessments
- ♥ Employ the “ assess-categorize-decide-act” approach to management of the critically ill child
- ♥ Recognize and manage a child in respiratory distress or failure, and perform effective respiratory management skills
- ♥ Recognize and manage a child with various life- threatening states of shock
- ♥ Recognize and manage a child with life threatening rhythm disturbances, and practice appropriate electrical therapy
- ♥ Apply key elements of resuscitation team behaviors and demonstrate why the foundation of successful resuscitation includes both mastery of basic skills and effective communication

ACCREDITATION AND CREDIT DESIGNATION

- ♥ Provider approved by the California Board of Registered Nursing, Provider Number CEP9713 EMS 14 CE's for Provider Course; 7 CE's for Renewal Course
- ♥ The Stanford University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.
- ♥ Stanford University School of Medicine designates the live PALS Provider Course for a maximum of 13.75 *AMA PRA Category 1 Credits*[™] and designates the live PALS Renewal Course for a maximum 6.5 *AMA PRA Category 1 Credits*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activities.
