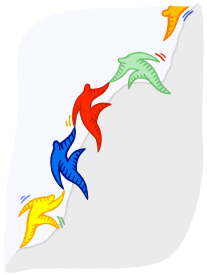
family-centered care



Knowing Your Health Care Team

You will meet many people who play a role in your child's care. Here is an easy way to keep track of the members of your team:

Team members may include:

- ☐ Doctors/Interns/Residents
- ☐ Nurses (will change with each shift)
- ☐ Anesthesiologist
- ☐ Therapists (Respiratory, Occupational)
- ☐ Social Worker
- ☐ Chaplain

FAMILY CENTERED CARE AT PACKARD

family-centered care

Comments?

How can we make your stay at Packard as safe and comfortable as possible? Please share any safety-related suggestions you have and drop this card in the comment box.

All urgent questions should be directed to your doctor, nurse, or health care team at the hospital.

THANK YOU
